November 2013

Dear Friends,

On behalf of the City of Mississauga, I am pleased to extend greetings to the organizers and participants of the 2<sup>nd</sup> Annual Family Jingle & Mingle. I am pleased that the organizers have chosen the International Centre in Ward 5, Mississauga's largest and most diverse ward.

Events like these bring together residents from across Mississauga and the Greater Toronto Area, showcasing our city and its residents, and promoting economic development. The Family Jingle & Mingle will showcase the diversity of our residents and our commitment to community engagement, while raising important funds for The Children's Wish Foundation of Canada. Mississauga is Canada's sixth largest city and is home to residents from all over the globe. I firmly believe that our strength is found in our diversity and through events like the Jingle & Mingle we display to the world our ability to live, work and play together in a peaceful and respectful manner. This event will strengthen relationships, while providing a fun day for families and I look forward to joining you!

Once again, on behalf of the City of Mississauga, I am delighted to congratulate you on this initiative and wish you success on this inaugural event and in years to come. I have no doubt everyone in attendance will have a great time.

Sincerely,

A handwritten signature in black ink that reads "Bonnie Crombie".
